Additionally, there will be assignment resubmission fees, dependent on programme and University partner.

Higher Education tuition fees are reviewed annually and set by the Senior Management Team to take account of market conditions, inflation and Government policies and are payable by all students registering for a higher education programme for the first time or progressing to another programme with Yeovil College University Centre. Any increase will be in line with the Consumer Price Index (CPI).

The College does not intend to increase the tuition fees of continuing learners who remain on the same programme.

Latest CPI used - December 2018

Approved by SMT 31 January 2019
